

Team Leader

- **Job Type:** Full-time
- **Salary:** £9.70 – 10.10 per hour
- **Location:** Totteridge House, High Wycombe
- **Hours of Work:** 40.5 per week

Sequence Care Group has experienced unprecedented growth in the past few years evolving into to a leading care provider, creating real opportunities to progress within the health & social care sector.

About Us

Sequence Care Group is passionate about providing high quality Community Residential and Hospital Services for Adults requiring specialist learning disability and mental health support. As a provider we are expanding and opening new services with new opportunities from promotion based upon performance. All of our Services provide in-patient support and rehabilitation on a one-to-one basis.

Sequence is committed to delivering individualised care to meet people's needs, committed to providing the best possible care and support.

About the Role

We are expanding our team and looking for genuinely caring and hands on individuals. We are looking for dynamic individuals with strong multi-tasking and leadership skills to join our dedicated team.

At Sequence you will work with extraordinary people who achieve fantastic successes. For everyone at Sequence it is about being ambitious about what people can achieve. You will work as part of a supportive team, focusing on outcomes through a person-centred approach.

- You might already be working as a Team Leader in a similar environment
- You might already have experience leading a team whilst working with Adults with learning disabilities or challenging behaviours
- You will be passionate about providing excellent support
- You will be passionate about working with Adults with learning disabilities and challenging behaviours
- You will implement, provide input into and assist in the planning of individual care plans and risk management programmes

About You

Demonstration of strong leadership qualities is essential, as is a dynamic and flexible approach to the role.

Must be driven, motivated and committed to providing industry leading care and service. Experience of the Adult Learning Disabilities & Mental Health sector is essential.

You will have a background of managing staff.

You will be educated to degree level (or equivalent).
